Dear Ricardo,

I would like to congratulate you for your latest film "The Lost Key".

I am a witness to the dedication and commitment to detail in all aspects of the production of this film. Particularly I refer to your interest in seeing that everything be done in accordance with Jewish Law and your willingness to change or modify any portion of the film when necessary.

I am certain that you have consulted with the competent rabbinical authorities and have received their blessing and guidance with regard to the accuracy of all of the halachic content and the kind of audience they feel the film should target.

May the project be crowned with great success and may you have continued blessing in all of your endeavors.
